

THE NEURONORMATIVITY ONION

The Neuronormativity Onion is a way to understand the layers of neuronormativity as well as the roots of neuronormativity.

- pathology paradigm
- psychiatry and the DSM

attitudes, beliefs, expectations, standards

what it looks like before
you peel back the layers

what it looks like
on the inside

the roots

control and punishment

colonialism, white supremacy & capitalism

- workplaces
- education
- therapy
- healthcare
- government
- relationships

where we find the onion
